DENISE COTE, District Judge:

On April 16, 2020, defendant Mahmoud Thiam filed an emergency motion to modify or reduce his sentence pursuant to 18 U.S.C. § 3582(c)(1)(A). The Government opposed Thiam's motion on April 21. An Order of April 22 denied the April 16 application and advised Thiam that he could renew his petition after he exhausted his administrative remedies. On May 2, Thiam requested compassionate release from the warden of his facility, this time pursuant to § 3582. On June 2 Thiam renewed his motion before this Court after the warden did not take action on his petition for 30 days. Accordingly, it is hereby

ORDERED that the Government shall submit a supplement, if any, to its April 21 submission by **June 10, 2020**. If no supplement is received from the Government, the Court will consider the Government's April 21 submission when it addresses

Thiam's renewed application.

SO ORDERED:

Dated: New York, New York
June 3, 2020
